“ To the Rubio Family, I am sorry for your loss. I send my condolences to you and yours.

The Bible makes it clear that God did not originally intend for humans to die.

As the Bible explains: "Through one man [Adam] sin entered into the world and death through sin, and thus death spread to all men." Romans 5:12.

Jesus Christ himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." John 5:28&29; and also read Acts 24:15.

May Jehovah God and Jesus Christ be with you and your Family?

“ To the Rubio family, I was so sad to see the obituary of Allan in the paper last night. I am sorry I did not see it in time to attend the service. My husband, Bill Hunnicutt, worked with Allan for several years and the two of us spent many hours with him. We took a cruise together, attended meetings, had cookouts, etc. and we both thought the world of him. I was so happy to see that he had remarried and was so active in the church. Derek and Sean, you will probably remember Bill. He and your dad had such good times together. Bill passed away on 9/11/11 from colon cancer. I know you ALL will miss Allan as I miss Bill. Please feel free to email me, if you want. I would like to know all about what has been going on with you boys in the past several years. Take care and I will be thinking about you ALL. Sincerely, Virginia
