“ I am so sorry for your loss. The Bible provides comfort during these difficult times. Revelation 21:3,4 states "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". Very soon now, we will never experience losing our loved ones in death. Hope these words give you a new hope.

“ I can honestly say Julie was an inspiration to me and alot of her many friends. I worked with her at Longhorn steakhouse in NC. I always was happy when she was working because she was such a joy to be around. I moved to Florida 5 years ago and we stayed in contact quite often throughout those years, she will truly be missed by ne and all her family and friends, her son Ryder was her pride and joy and may she look down upon him and give him the strength ang guidance to be as wonderful of a person as his mother was....R.I.P..jewels..never forgotten....

“ I had the honor of working with Julie at Longhorn Steakhouse. She was such a joy and always so happy. Julie could make me laugh all the time! I moved but Julie and I stayed in touch on Facebook. My son and her Ryder share the same birthday, so I just spoke with her in June! She was a great mother, friend, daughter, sister, and aunt! She will be missed! May God give you peace and understanding through this time! All my thoughts are with you and Ryder. I know that he will grow up knowing how much he was loved!

“ I worked with Julie at Longhorn and she was a delight. smart, witty, and generous. you could always count on her to lighten the environment. I haven't seen her in a few years except for a few comments on facebook or instagram but I always felt close to her. Julie was a strong young woman who was not scared of life and I cannot say that for a lot of us; Ryder was lucky to have such a great mother. all of us who had the honor of knowing her will dearly miss her.
