

## Suzanne Marie Fiumano

September 11, 1952 - May 6, 2020

It is with great sadness that we announce the passing of Suzanne “Sue” Marie Fiumano, a loving and devoted wife, mother, and friend to all whose lives she touched. Sue passed away on May 6, 2020. She was 67 years young.

Sue was born on September 11, 1952 in Manhattan, NY. Being born into a typical 1950’s Italian-American family, she was raised by her parents and grandparents, in Queens, NY. This is where she learned the importance of family, to have faith in God and country, being grateful for what you are given, and always being there for others. These values she would eventually pass onto her children, along with her love for animals, art, gardening, expressing love through fabulous home cooked meals and the importance of holiday traditions.

After graduating high school, Sue met her true love and best friend, Frank. They were married on April 14, 1973. Together they would stand side by side and build a life and family together. Being a mother was the most important thing in her life. As a stay-at-home mom, she nurtured and guided her daughters to become caring, loving and strong individuals. She had a great sense of humor and always saw the brighter side of things and people. Sue enjoyed going to lunches with her friends, experiencing new restaurants and sharing stories of her family. A loyal friend who was always checking in and making sure you were OK. She was generous with her time and her love. She would make her family and friends go crazy not being able to make up her mind when ordering from a menu. Something we will all miss.

Sue is survived by her spouse, Frank, and her two daughters and “Son” in-laws, Lori and Kevin Spacek and Lara and “Junior” James MacGowan. She is also survived by her fur baby, Magic, and furry grandbabies, Bernie, Little Girl, Jake, and Toula.

A memorial service, where family and friends can celebrate her life will be announced in the months to come.

In lieu of flowers, donations can be made in memory of Sue Fiumano to the SPCA of Wake County([www.spcawake.org](http://www.spcawake.org) ), Guiding Eyes For The Blind([www.guidingeyes.org](http://www.guidingeyes.org) ), or Wounded Warrior Project ([www.woundedwarriorproject.org](http://www.woundedwarriorproject.org))

“ Sue was not only my cousin but also my friend. She always had a smile on her face that would light up a room! She was always there if you needed someone to talk or cry too. Life won't be the same without that smiling face. Heaven has gained another angel to watch over us!

“ Diana and Lou Corino

Friends like Suzy makes this world a much better place. Lou and I are sending a tearful goodbye to a loving friend. Suzy was a delightful lady with such a joyful spirit and contagious laugh. She had a profound love and sincere concern for her family and friends as well as her numerous pets. Suzy was the epitome of true friendship, never forgetting to send well wishes for birthdays, holidays and get wells. I will always miss our marathon phone calls to catch up on our long distance lives. Suzy has a life well lived. She will be forever in my heart.

“ Dearest Frank, Lori and Lara, I can't imagine your sorrow at losing Wife, mother, Confidante. I really have such incredible memories of my Italian sister Sue! We were born same name, the same day on different coasts you on the East coast me on the West coast but we were meant to meet, you were just as much a real sister as my birth sisters! We worked together for 10 years, I so enjoyed being around you and your family so many good times and so much laughter I could never forget your laugh! Sue you were so kind and sweet, you were also tough and fierce when you needed to be. I will always love you and hope we meet again maybe next life we will be birth sisters. I wish comfort to those you left behind knowing that you are watching over them. Love you forever until we meet again my friend.
